About your report

The results in this report help your organisation build a positive workplace culture with integrity that live the public sector values.

Report contents

The visual on the right shows you what sections we've included in this report for your organisation's survey results.

Comparing data in this report

Your organisation took part in the survey in 2020 and 2021.

This means you'll be able to compare about 76% of this year's survey with your previous results.

Rounding of percentages

In this report, we round numbers up or down to their nearest whole percentage.

This means some percentages may not add up to 100%.

Survey's theoretical framework

What this is

The framework provides an overview of the workplace factors and outcomes that the survey measures.

Why this is important

Based on theory and research, the framework focuses on core themes that help guide organisations in creating better workplaces.

We developed the framework in consultation with stakeholders from the public sector and Deakin University.

Our public sector values

The public sector values inform the professional and ethical conduct of everyone who works in the public sector.

As such, these values underpin the theoretical framework of the survey.

There's a strong link between workplace culture and how staff perceive their organisation lives the public sector values.

Your comparator group

What this is

This is a list of similar organisations to yours.

We try to make sure they're in the same industry your organisation is in.

Some organisations may not have taken part in the survey previously. This means your comparator group may be different to previous years.

How we use this in your report

In this report, we compare your organisation's survey results to your comparator group's results.

This is so you can compare how your organisation is doing in your industry or to similar organisations.

We refer to your comparator group in this report as 'comparator'.

Your response rate

What this is

This is how many staff in your organisation did the survey in 2022.

Why this is important

The higher the response rate, the more your results will reflect how staff feel.

If less than 100 completed the survey, consider how much one person could change your results.

For example, if only 25 people did the survey, 1 person would account for 4% of any result.

In this example, if your survey result and comparator group result or previous survey result are within 4% of each other, there is very little difference in the results.

How to read this

The number in the brackets () shows how many staff completed the survey this year. We've also expressed this as a percentage of all the staff who work in your organisation.

Scorecard: employee engagement index

What this is

Engaged employees are committed to their organisation's goals and values, and motivated to contribute to organisational success.

The employee engagement index is a score out of 100. It is a weighting of all engagement question responses.

The weightings for each engagement response are:

- strongly agree is 100 points
- agree is 75 points
- neither agree nor disagree is 50 points
- disagree is 25 points
- strongly disagree is 0 points

Why this is important

High engagement may lead to greater satisfaction and lower absences, turnover and workplace stress.

Work-related stress levels

What this is

This is the level of stress experienced by employees in response to work-related factors.

Why this is important

Stress can negatively affect peoples health and wellbeing as well as their performance and behaviour.

How to read this

In this survey we asked staff to tell us their stress level.

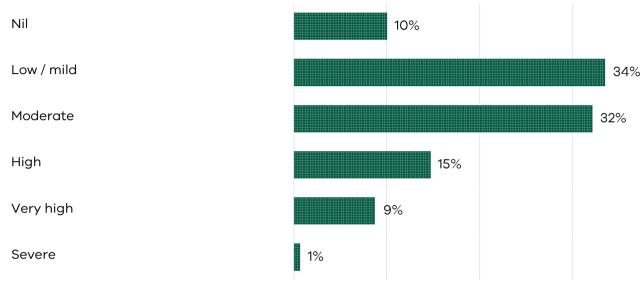

The graph at the top shows how staff in your organisation rated their current levels of work-related stress.

The numbers below show the percentage of staff in your organisation who said they experienced high to severe stress in 2022 compared to 2021 and your comparator.

Example

24% of your staff who did the survey said they had high to severe stress in 2022. This is compared to 22% of staff in your comparator group and 25% of staff across the public sector.

Work-related stress causes

What this is

This is the main work-related causes of stress reported by staff.

Why this is important

Stress can negatively affect peoples health and wellbeing as well as their performance and behaviour.

How to read this

In the survey, we ask staff to tell us if they have experienced mild to severe stress at work, as shown in the visual above the table.

If they answer yes, we ask them to tell us what caused the stress. They can select more than one cause.

In descending order, the table shows the top 10 causes.

Example

90% of your staff who did the survey said they experienced mild to severe stress.

Of that 90%, 52% said the top reason was 'Workload'.

Intention to stay

What this is

This is what your staff intend to do with their careers in the near future.

Why this is important

In the public sector, we want to attract, keep, motivate and engage staff.

How to read this

In the survey, we ask staff to tell us how long they intend to work at their organisation.

Example

11% of your staff who did the survey said they intended to work for your organisation for 6 months or less.

| Employees plan to work at your organisation for | You 2022 | Comparator 2022 | Public sector 2022 |

Scorecard: emotional effects of work

What this is

This is the level of positive and negative feelings experienced by staff in the 3 months before the survey.

Why this is important

Positive feelings can lead to higher wellbeing and job satisfaction and a lower chance of burnout.

How to read this

Each label represents a question in the survey about emotional effects of work.

Each result is the percentage of staff who said they often, very often or always felt happy, enthusiastic, worried or miserable in the past 3 months.

You can compare these with your comparator and the public sector.

Example

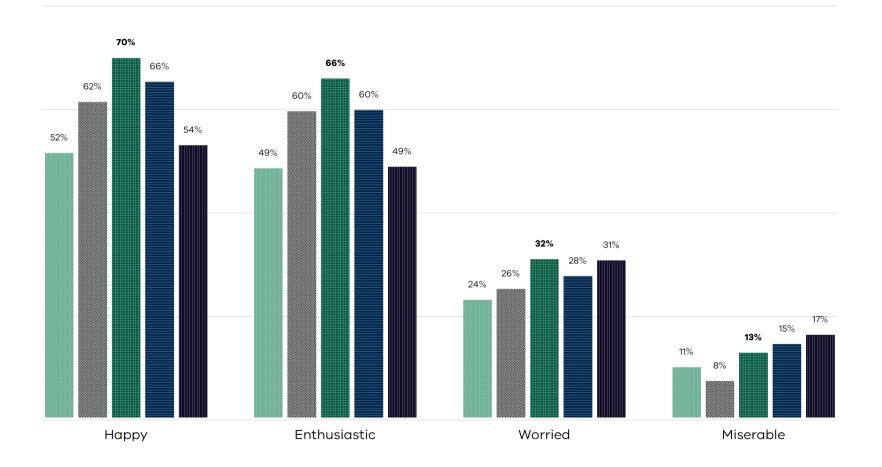

In 2022:

• 70% of your staff who did the survey said work made them feel happy in 2022, which is up from 62% in 2021

Perpetrators of bullying

What this is

This is who staff have said are responsible for bullying.

Why this is important

Understanding where bullying happens means organisations can work out what action to take.

How to read this

In this year's survey, 11% of your staff said they experienced bullying.

If they did, they could tell us with one or more answers who the perpetrator was. In descending order, the bar chart shows the perpetrators with the largest number of responses.

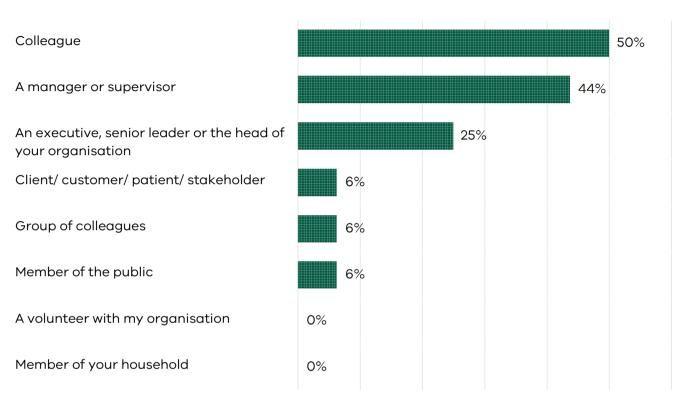

Each row is one perpetrator or group of perpetrators.

Example

Relationship to perpetrator What this is

This provides further detail on who staff have said are responsible for bullying within your organisation.

Why this is important

Understanding where bullying happens means organisations can work out what action to take.

How to read this

In this year's survey, 11% of your staff said they experienced bullying.

If they experienced bullying from within the organisation, they could tell us their relationship to the perpetrator.

The bar chart shows, in descending order, how many employees linked the bullying to different workplace relationships.

Example

11% of your staff who did the survey said they experienced bullying.

Of that 11%, 94% said it was by someone within the organisation.

Sexual harassment

What this is

This is non-consensual or unwelcome sexual behaviour that could cause an employee to feel offended, humiliated or intimidated.

Why this is important

Sexual harassment can have an immediate and long-term negative impact on those involved, including those who witness sexual harassment.

Why there is no data here

We've not published the results for this section because less than 10 people said they experienced sexual harassment. We do this to protect the respondents.

Discrimination

What this is

Discrimination is when a person treats, or proposes to treat, a person unfavourably because of their personal characteristics, such as their age or gender, or other attributes.

Why this is important

Staff expect to have a safe and inclusive working environment to work in that is free of discrimination.

Why there is no data here

We've not published the results for this section because less than 10 people said they experienced discrimination. We do this to protect the respondents.

Violence and aggression

What this is

This is when staff are abused, threatened or assaulted in a situation related to their work.

Why this is important

Violence and aggression can have an immediate and long-term negative impact of those involved, including those who witness violence and aggression.

Why there is no data here

We've not published the results for this section because less than 10 people said they experienced violence or aggression. We do this to protect the respondents.

Lowest scoring questions

What this is

These are the questions your organisation had the lowest agreement or satisfaction with in 2022.

How to read this

Use this data to see where your organisation has the lowest agreement or satisfaction with questions from the 2022 survey.

In this table, your score for this year is shown in the 'you 2022 column'.

You can also compare your 2022 scores against your 2021 scores and your 2022 comparator group.

Example

On the first row 'Taking action', the 'You 2022' column shows 38% of your staff agreed with 'My organisation has made improvements based on the survey results from last year'.

This question was not asked in 2021.

| Question subgroup | Lowest scoring questions | You 2022 | Change from 2021 | Comparator 2022 |

| Learning and development | My organisation places a high priority on the learning and development of staff | 55% | -3% | 49% |

Most improved

What this is

This is where staff feel their organisation has most improved.

How to read this

Use this data to see if your organisation has a developing or changing trend. In this table, your trend is shown in the 'Increase from 2021' column.

When you use this data, focus on the increase instead of individual numbers.

This is because the increase from 2021 shows you where the most positive changes are happening in your organisation.

Example

On the first row 'Human rights', the 'You 2022' column shows 87% of your staff agreed with 'I understand how the Charter of Human Rights and Responsibilities applies to my work'.

In the 'Increase from 2021' column, you have a 10% increase, which is a positive trend.

| Question group | Most improved from last year | You 2022 | Increase from 2021 | Comparator 2022 |
|-----------------------------|---|-------------|-----------------------|--------------------|
| Human rights | I understand how the Charter of Human Rights and Responsibilities applies to my work | 87% | +10% | 65% |
| Meaningful work | I achieve something important through my work | 93% | +9% | 91% |
| Satisfaction | How satisfied are you with your career development within your current organisation | 53% | +8% | 57% |
| Workgroup support | People in my workgroup are politically impartial in their work | 78% | +6% | 75% |
| Organisational integrity | My organisation encourages employees to act in ways that are consistent with human rights | 90% | +5% | 86% |
| Flexible working | I am confident that if I requested a flexible work arrangement, it would be given due consideration | 79% | +5% | 72% |
| Safety climate | All levels of my organisation are involved in the prevention of stress | 50% | +5% | 49% |
| Meaningful work | I get a sense of accomplishment from my work | 87% | +4% | 86% |
| Learning and development | I am developing and learning in my role | 75% | +4% | 72% |
| Workload | The workload I have is appropriate for the job that I do | 62% | +2% | 64% |

Most declined

What this is

This is where staff feel their organisation has most declined.

How to read this

Use this data to see if your organisation has a developing or changing trend. In this table, your trend is shown in the 'Decrease from 2021' column.

When you use this data, focus on the decrease instead of individual numbers.

This is because the decrease from 2021 shows you where the most negative changes are happening in your organisation.

Example

On the first row 'Engagement', the 'You 2022' column shows 75% of your staff agreed with 'I would recommend my organisation as a good place to work'. In the 'Decrease from 2021' column, you have a 9% decrease, which is a negative trend.

| Question subgroup | Largest decline from last year | You 2022 | Decrease from 2021 | Comparator 2022 |
|-----------------------------|--|-------------|-----------------------|--------------------|
| Engagement | I would recommend my organisation as a good place to work | 75% | -9% | 71% |
| Collaboration | I am able to work effectively with others outside my immediate workgroup | 82% | -8% | 86% |
| Safety climate | My organisation provides a physically safe work environment | 80% | -7% | 88% |
