About your report

The results in this report help your organisation build a positive workplace culture with integrity that live the public sector values.

Report contents

The visual on the right shows you what sections we've included in this report for your organisation's survey results.

Comparing data in this report

Your organisation took part in the survey in 2023 and 2022.

This means you'll be able to compare about 98% of this year's survey with your previous results.

Rounding of percentages

In this report, we round numbers up or down to their nearest whole percentage. This means some percentages may not add up to 100%.

Report overview

Survey's theoretical framework

What this is

The framework provides an overview of the workplace factors and outcomes that the survey measures.

Why this is important

Based on theory and research, the framework focuses on core themes that help guide organisations in creating better workplaces.

We developed the framework in consultation with stakeholders from the public sector and Deakin University.

Our public sector values

The public sector values inform the professional and ethical conduct of everyone who works in the public sector.

As such, these values underpin the theoretical framework of the survey.

There's a strong link between workplace culture and how staff perceive their organisation lives the public sector values.

The public sector values that underpin the framework and all public sector organisations

Report overview

Your comparator group

What this is

This is a list of similar organisations to yours.

We try to make sure they're in the same industry your organisation is in.

Some organisations may not have taken part in the survey previously. This means your comparator group may be different to previous years.

How we use this in your report

In this report, we compare your organisation's survey results to your comparator group's results.

This is so you can compare how your organisation is doing in your industry or to similar organisations.

We refer to your comparator group in this report as 'comparator'.

Report overview

Your response rate

What this is

This is how many staff in your organisation did the survey in 2024.

Why this is important

The higher the response rate, the more your results will reflect how staff feel. If less than 100 completed the survey, consider how much one person could change your results.

For example, if only 25 people did the survey, 1 person would account for 4% of any result. In this example, if your survey result and comparator group result or previous survey result are within 4% of each other, there is very little difference in the results.

How to read this

The number in the brackets () shows how many staff completed the survey this year.

Your employee engagement index

What is this

Engaged employees are committed to their organisation's goals and values, and motivated to contribute to organisational success.

The employee engagement index is a score out of 100. It is a weighting of all engagement question responses.

The weightings for each engagement response are:

- strongly agree is 100 points
- agree is 75 points
- neither agree nor disagree is 50 points
- disagree is 25 points
- strongly disagree is 0 points

Why this is important

High engagement may lead to greater satisfaction and lower absences, turnover and workplace stress.

Scorecard: satisfaction, stress, intention to stay, inclusion

What is this

This scorecard provides overall results for satisfaction, high to severe work-related stress, intention to stay and inclusion. There are more people outcomes scorecards throughout this report.

Why this is important

This page shows which outcomes are performing well and which outcomes you can look to improve.

How to read this

Each label represents a group of questions in the survey about people outcomes. Each result is the overall percentage of positive responses for your organisation, comparator and public sector.

Example

- In 2024:
- 61.0% of your staff who did the survey responded positively to questions about Inclusion.
- Compared to:
- 81.7% of staff in your comparator group and 79.7% of staff across the public sector.

Work-related stress levels

What is this

This is the level of stress experienced by employees in response to work-related factors.

Why this is important

Stress can negatively affect peoples health and wellbeing as well as their performance and behaviour.

How to read this

In this survey we asked staff to tell us their stress level.

The graph at the top shows how staff in your group rated their current levels of work-related stress.

The numbers below show the percentage of staff in your group who said they experienced high to severe stress in 2024 compared to 2023, your comparator and the public sector.

Example

31% of your staff who did the survey said they had high to severe stress in 2024. This is compared to 20% of staff in your comparator group and 21% of staff across the public sector.

Scorecard: negative behaviours

What is this

This is how many staff have experienced negative behaviours at work in the past 12 months.

Why this is important

Negative behaviours can be detrimental to health and wellbeing as well as performance and behaviour.

How to read this

Each label represents a question in the survey about negative behaviour. Each result is the percentage of staff who said they experienced bullying, sexual harassment, discrimination or violence and aggression in the past 12 months.

You can compare these with your comparator group and the public sector.

Example

In 2024:

- 35.9% of your staff who did the survey stated they experienced 'Violence or aggression' in the last 12 months.

Key differences

Lowest scoring questions

What is this

These are the questions your group had the lowest agreement or satisfaction with in 2024.

How to read this

Use this data to see where your group has the lowest agreement or satisfaction with questions from the 2024 survey.

In this table, your score for this year is shown in the 'You 2024' column.

You can also compare your 2024 scores against your 2023 scores and your 2024 comparator group.

Example

On the first row 'Taking action', the 'You 2024' column shows 8% of your staff who did the survey agreed with 'My organisation has made improvements based on the survey results from last year'. In the 'Change from 2023' column, you have a -4% change, which is a negative trend.

Question group	Lowest scoring questions	You 2024	Change from 2023	Comparator 2024
Taking action	My organisation has made improvements based on the survey results from last year	8%	-4%	35%
Organisational integrity	I believe the promotion processes in my organisation are fair	14%	-1%	49%
Taking action	I believe my organisation will make improvements based on the results of this year's survey	15%	-5%	50%
Organisational integrity	I have an equal chance at promotion in my organisation	17%	-3%	50%
Learning and development	I am satisfied with the opportunities to progress in my organisation	20%	-4%	56%
Safety climate	Senior leaders show support for stress prevention through involvement and commitment	21%	-1%	53%
Senior leadership	Senior leaders provide clear strategy and direction	21%	-4%	63%
Safety climate	All levels of my organisation are involved in the prevention of stress	21%	-1%	46%
Organisational integrity	I believe the recruitment processes in my organisation are fair	22%	-0%	64%
Learning and development	My organisation places a high priority on the learning and development of staff	24%	-3%	65%

Key differences

Most improved

What is this

This is where staff feel their group has most improved.

How to read this

Use this data to see if your organisation has a developing or changing trend.

In this table, your trend is shown in the 'Increase from 2023' column.

When you use this data, focus on the increase instead of individual numbers.

This is because the increase from 2023 shows you where the most positive changes are happening in your organisation.

Example

On the first row 'Patient safety climate', the 'You 2024' column shows 44% of your staff who did the survey agreed with 'Trainees in my discipline are adequately supervised'.

In the 'Increase from 2023' column, you have a 4% increase, which is a positive trend.

Question group	Most improved from last year	You 2024	Increase from 2023	Comparator 2024
Patient safety climate	Trainees in my discipline are adequately supervised	44%	+4%	69%
Job enrichment	I can use my skills and knowledge in my job	82%	+3%	94%
Workload	I have enough time to do my job effectively	49%	+2%	58%
Workload	The workload I have is appropriate for the job that I do	47%	+2%	62%
Flexible working	I am confident that if I requested a flexible work arrangement, it would be given due consideration	44%	+2%	65%
Job enrichment	I understand how my job helps my organisation achieve its goals	78%	+1%	92%
Patient safety climate	This health service does a good job of training new and existing staff	35%	+1%	65%

Job enrichment	I have a say in how I do my work	58%	+0%	76%
Manager leadership	My manager treats employees with dignity and respect	79%	+0%	86%

Key differences

Most declined

What is this

This is where staff feel their group has most declined.

How to read this

Use this data to see if your organisation has a developing or changing trend.

In this table, your trend is shown in the 'Decrease from 2023' column.

When you use this data, focus on the decrease instead of individual numbers.

This is because the decrease from 2023 shows you where the most negative changes are happening in your organisation.

Example

On the first row 'Organisational integrity', the 'You 2024' column shows 57% of your staff who did the survey agreed with 'My organisation is committed to earning a high level of public trust'.

In the 'Decrease from 2023' column, you have a 11% decrease, which is a negative trend.

Question group	Largest decline from last year	You 2024	Decrease from 2023	Comparator 2024
Organisational integrity	My organisation is committed to earning a high level of public trust	57%	-11%	80%
Engagement	I am proud to tell others I work for my organisation	47%	-8%	80%

Learning and development	I am satisfied with the way my learning and development needs have been addressed in the last 12 months	28%	-5%	67%
Engagement	I feel a strong personal attachment to my organisation	38%	-5%	64%

Key differences

Biggest positive difference from comparator

What is this

This is where your staff have agreed more to a question compared to staff at similar organisations.

How to read this

Use this data to see where your organisation has the biggest positive difference with questions from the 2024 survey compared to your comparator group.
In this table, the difference to your comparator is shown in the 'Difference' column.

As there are no questions with a positive difference from your comparator, there is no data to show on this page.

Key differences

Biggest negative difference from comparator

What is this

This is where your staff have agreed less to a question compared to staff at similar organisations.

How to read this

Use this data to see where your organisation has the biggest negative difference with questions from the 2024 survey compared to your comparator group. In this table, the difference to your comparator is shown in the 'Difference' column.

Example

On the first row 'Engagement', the 'You 2024' column shows 27% of your staff who did the survey agreed with 'I would recommend my organisation as a good place to work'. The 'Difference' column, shows that agreement for this question was 46% lower than in your comparator.

Taking action

What is this

This is how well staff feel their organisation takes action and makes improvements from your survey results.

Why this is important

If your organisation takes action as a result of survey results, your staff may feel their feedback is valuable.

How to read this

Under 'Your results', see results for each question in descending order by most agreed.
'Agree' combines responses for agree and strongly agree and 'Disagree' combines responses for disagree and strongly disagree.

Under 'Benchmark results', compare your comparator group's overall, lowest and highest scores with your own.

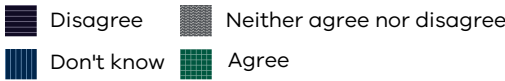

Example

15% of your staff who did the survey agreed or strongly agreed with 'I believe my organisation will make improvements based on the results of this year's survey'.

Organisational climate

Scorecard

What is this

This scorecard provides overall results for each factor in the organisation climate part of the survey's theoretical framework.

Why this is important

This page shows which factors are performing well and which factors you can look to improve.

How to read this

Each label represents a group of questions in the survey about organisational climate. Each result is the overall percentage of positive responses for your organisation, comparator and public sector.

Example

In 2024:

- 52.4% of your staff who did the survey responded positively to questions about Collaboration.

Compared to:

- 77.3% of staff in your comparator group and 73.8% of staff across the public sector.

Organisational climate

Organisational integrity 1 of 2

What is this

This is how much trust staff have in your organisation's ability to operate, implement policy and deliver services for Victorians.

Why this is important

We need the community to have high trust in how we work and what we do.

How to read this

Under 'Your results', see results for each question in descending order by most agreed. 'Agree' combines responses for agree and strongly agree and 'Disagree' combines responses for disagree and strongly disagree.

Under 'Benchmark results', compare your comparator group's overall, lowest and highest scores with your own.

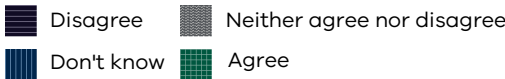

Example

61% of your staff who did the survey agreed or strongly agreed with 'My organisation encourages employees to act in ways that are consistent with human rights'.

Survey question

Your results

Workgroup climate

Scorecard

What is this

This scorecard provides overall results for each factor in the workgroup climate part of the survey's theoretical framework.

Why this is important

This page shows which factors are performing well and which factors you can look to improve.

How to read this

Each label represents a group of questions in the survey about workgroup climate. Each result is the overall percentage of positive responses for your organisation, comparator and public sector.

Example

- In 2024:
- 63.5% of your staff who did the survey responded positively to questions about Workgroup support
- Compared to:
- 74.9% of staff in your comparator group and 77.3% of staff across the public sector.

Workgroup climate

Quality service delivery

What is this

This is how well workgroups in your organisation operate to deliver quality services.

Why this is important

The public sector must provide highquality services in a timely way to meet the needs of Victorians.

Workgroups need to be motivated, make impartial decisions and have clear accountabilities.

How to read this

Under 'Your results', see results for each question in descending order by most agreed.

'Agree' combines responses for agree and strongly agree and 'Disagree' combines responses for disagree and strongly disagree.

Under 'Benchmark results', compare your comparator group's overall, lowest and highest scores with your own.

Workgroup climate

Innovation

What is this

This is how well staff feel their workgroup innovates its operations.

Why this is important

Innovation can reduce costs, create public value and lead to higher quality services.

How to read this

Under 'Your results', see results for each question in descending order by most agreed.

'Agree' combines responses for agree and strongly agree and 'Disagree' combines responses for disagree and strongly disagree.
